- Nordic Logistics Research Network, June 13-14, 2024
- Masterclass on Building Innovation Ecosystems, June 19-20
- **More info on: <https://rnd2024.org/>**

Track chair instructions

- **Track Chairs**

- At least one needs to be present at each of the track sessions.
- Are responsible for managing time and feedback during the sessions.
- Shall assign a discussant to each paper before the conference (track chair, reviewer, or other track participant)
- Are encouraged to nominate Best Paper Award candidates to the conference organizers (Mats & Mats) before the conference.

- **Sessions**

- Are either 80 min (4 papers) or 60 min (3 papers).
- The time slot for each paper is 20 min (max 15 min for presentation and the remaining time for questions and feedback).
- Do not change the order of presentations, not even in the case of a no-show.
- The conference is IRL, we do not support hybrid sessions
- Track chairs are encouraged to bring their computers (there will be back-up computers as well)
- Presenters bring their presentation (ppts) on a USB-stick

Track chair instructions, cont. ...

- **Schedule adjustments:**

- Termination of tracks: P8, P4, P24, P55
- Merger of tracks P1 & P2; P20 & P22; P39 & P40:
The track chairs need to decide upon how to share the responsibilities.
- A small number of papers have also been moved from their original tracks due to logistical reasons

- **Scheduling:**

- The detailed program will be published June 3, the latest.
- The schedule is set. For particularly painful cases: if there is a need to change the time for a presentation, please contact the conference organizers (Mats & Mats) **before** the conference.
- We have tried our best to avoid scheduling conflicts, but there are very many papers and many presenters with specific preferences...

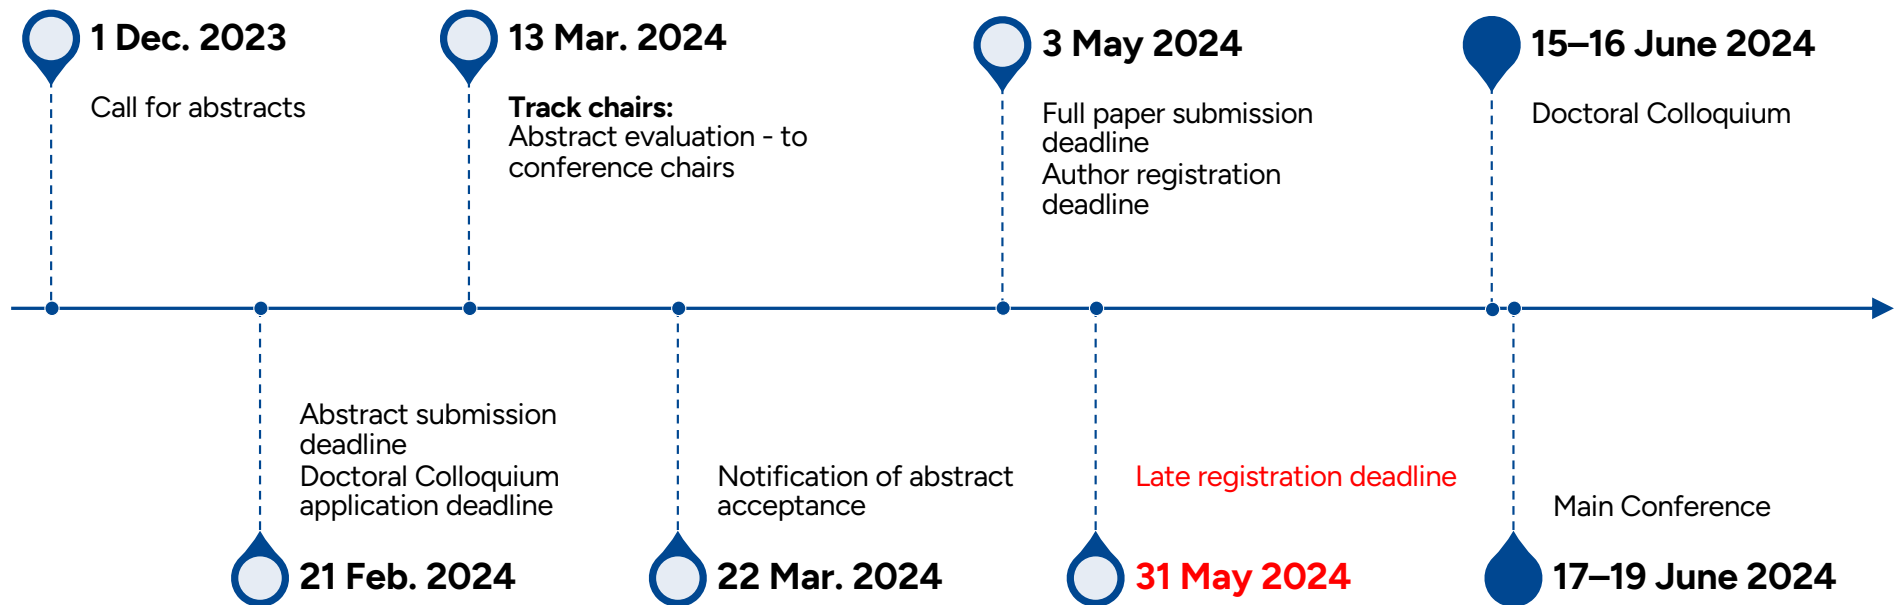

Final Track Chair Meeting

- **Welcome to the final, on-site track chair meeting**

Sunday June 16, 19.00-19.30 (CET) during the “Get together” at KTH in Stockholm
